

## ARTICLE 2

### DEFINITIONS

As used in these Rules and Regulations, unless the context clearly indicates otherwise the words defined below shall have the respective meanings set forth for them:

- 2-1 ACTUAL COSTS: All direct and indirect costs attributable to any project or undertaking. Actual costs to the District shall include its engineering, legal, labor, material, equipment, administrative, and overhead expenses, calculated in accordance with the rates set forth in Appendix 1 to Article 7 of these Rules and Regulations and all direct payments to third parties, at cost.
- 2-2 BOARD or BOARD OF DIRECTORS: The duly constituted Board of Directors of the District.
- 2-3 CONTRACTOR: Any person who performs any work, either for himself or another, on any sewer facilities, public or private, within the District, including all subcontractors, agents, employees, officers and other representatives of such person.
- 2-4 DISTRICT: Southgate Sanitation District, Arapahoe and Douglas Counties, Colorado, its employees, agents, officers, directors, insurers, and professional consultants.
- 2-5 DISTRICT SYSTEM: The plant, facilities, systems, assets, and appurtenant property rights owned or directly controlled by the District, excluding service lines..
- 2-6 ENGLEWOOD: The City of Englewood, Colorado, or its successor in interest, for itself and as operator and co-owner of the Bi-City Treatment Plant.
- 2-7 EXTENSION: The act of extending or the construction of any District facilities of any kind whatsoever, wherever located, or the facilities themselves, which are intended to or have become a part of the District System upon acceptance by the District.
- 2-8 FOREIGN MATERIALS: Objects, materials or substances which are not appropriate for transmission by a sanitary sewage system, including without limitation paving or construction materials or debris, furniture, appliances, clothing, bicycles, rocks, dirt, trash, grease, oil, sand, and grass, bush or tree clippings, or any unauthorized material or substance.
- 2-9 IMPROVEMENTS. Any structure, facility, improvement, or building discharging

wastewater or sewage.

- 2-10 MAIN or SEWER MAIN: Those pipes and appurtenant facilities used for carrying wastewater along public streets or easements or rights of way deeded or licensed to the District.
- 2-11 PERMITTED PREMISES: The land area and improvements thereto to which sewer service is limited under any particular Tap Permit.
- 2-12 PERSON: Associations, corporations, firms, partnerships and bodies politic and corporate, as well as individuals.
- 2-13 PROPERTY OWNER: Any person who, whether solely or with others, owns real property within the District. When property is owned by more than one person, the term includes all owners thereof. As used in these Rules and Regulations, the term shall apply to such person only in connection with his ownership of any specific parcel of real property involved in any specific matter governed by these Rules and Regulations. For purposes of clarity, the masculine singular pronoun is used in these Rules and Regulations to refer to Property Owner.
- 2-14 RECORD or AS-BUILT DRAWINGS: A separate set of half scale construction plans on mylar, together with two (2) half scale sets of blueprints and an AutoCADD digital file of same, marked to indicate completely and accurately the field-installed condition of facility construction, (including all service lines and/or stubouts), as required by the System Specifications.
- 2-15 SERVICE LINES: Any sewer lines or portions thereof located upstream from the upstream end of the wye or saddle fitting on the District's Main, and intended or used to convey wastewater from Permitted Premises to the District System.
- 2-16 SEWAGE: See WASTEWATER 2-24.
- 2-17 SINGLE FAMILY EQUIVALENT: The average flow of sewage produced by a single family residence consisting of a statistically average number of persons in a family unit in the Denver metropolitan area as determined by demographic studies or other commonly accepted data such as census information.
- 2-18 STUB IN: A tap made for the purpose of installing service lines prior to the paving of streets. Such connection shall include fittings necessary to extend the service line to the property line of the serviced property.
- 2-19 SWIMMING POOL DISCHARGE: Wastewater from any swimming pool carried by the District System, including swimming pool filter backwash effluent and water drained

directly from the swimming pool itself.

- 2-20 SYSTEM SPECIFICATIONS: The provisions of the Sanitary Sewer System Specifications, as now or hereafter constituted, adopted by the Board of Directors, which prescribe the minimum technical standards and related requirements for the design, installation, construction, operation, use, maintenance, repair and replacement of all sewer facilities, public and private, within the District.
- 2-21 TAP or SERVICE CONNECTION: The physical connection to a District main which, together with the Tap Permit for same, effects sewer service to any Permitted Premises.
- 2-22 TAP PERMIT: The written authority to make a Tap for sewer service to Permitted Premises from the District System as provided herein.
- 2-23 USER: Any person who discharges or causes the discharge of wastewater to the District System.
- 2-24 WASTEWATER or SEWAGE: The combination of the liquid and water-carried wastes from residences, commercial buildings, industrial plants and institutions, including polluted cooling water.
  - 2-24-1 Sanitary Wastewater. The combination of liquid and water-carried wastes discharged from toilet and other sanitary plumbing facilities.
  - 2-24-2 Industrial Wastewater. The combination of liquid and water-carried wastes discharged from any industrial establishment and resulting from any trade process carried on in that establishment, including the wastewater from pre-treatment facilities and polluted cooling water.
- 2-25 WASTEWATER UTILITY ORDINANCE: Chapter 2, Title 12 of the Englewood Municipal Code 1985.
