TAP INFORMATION

1. Please make checks payable to the Southgate Sanitation District, and also note that all water and sewer tap fees should be separate payments (not combined on one check).
2. The System Charge (SC) of the Southgate Sanitation District is used to construct and reconstruct facilities necessary for the continued provision of sanitary sewer service within the District.
3. The top schedule refers to single family residence taps ONLY.
4. If the tap is for a Multi-family, Industrial or Commercial property, the District needs more detailed information to calculate the sewer tap fee. This may include, but is not limited to: the square footage of the building and the USE of the square footage, details regarding kitchens, cafeteria's, misc., etc..
PLEASE CONTACT THE DISTRICT AT (303)779-0261 FOR ASSISTANCE.

2. Verification that all fees due to the C.O.E for the taps being purchased must be received by the District before any tap inspections will be done by Southgate Sanitation.
